Title: Peter Cat Recording Co.

I will be making a 4-page site with a navigation bar stuck horizontally

- Page 1: Homepage/Overview
    - Provide an introduction to the band, genre, and music
- Page 2: Discography/Albums
    - Provide in-depth view of albums and discography
    - Show music videos, songs, live performances
    - Spotlight on specific songs
- Page 2: History
    - Provide a history of the band, its formation, and process
- Page 3: Members
    - Highlight members of the band
- Page 4: Sources
    - Lists sources from Wikipedia page, photography, and any other assets
